The resources listed in this section of the guide comprise the Library of Congress' holdings of published indexes for "technical manuals" from 1940-1949. These technical manuals and other War Department and Department of the Army publications were identified in FM 21-6, List and Index of Publications. Of these the Library of Congress has identified the following issues in its collections, by date (see list below). For a more in-depth discussion on locating technical reports see: Robert L. Bolin.
