Britain Begins

Britain Begins is nothing less than the story of the origins of the British and the Irish peoples, from around 10,000BC to the eve of the Norman Conquest. Using the most up to date archaeological evidence together with new work on DNA and other scientific techniques which help us to trace the origins and movements of these early settlers, Barry Cunliffe offers a rich narrative account of the first islanders - who they were, where they came from, and how they interacted one with another.
