Essential bolt torques are: main bearing cap bolts connecting rod cap bolts cylinder head bolts close

Caterpillar diesel engine specs, bolt torques and manuals
About a year ago CAT suddenly pulled their Tier III C13 customer field trial boats, put the original C12's back in and went home. We were all head scratching, C9 was going through a major design tear up with HUEI being replaced with common rail system and new 4 valve head and looked ready to rock and roll at Tier III.
