(If you have trouble reading this post, click here.). Circle of Influence and Control is a tool created by Stephen Covey. We use it to help you and your team look at all the things that concern you, to help you realise you have more power than you think over things that feel out of your control.

Discover your Circle of Influence and Control. You have ...

Most project professionals understand that managing projects involves planning, managing, and controlling project activities to realize outcomes that meet stakeholder requirements. Yet as the literature shows, projects continually fail and consistently waste resources, results that affect a stakeholder's perception of project value and relationship to the project team.

Project relationships and the Stakeholder Circle™
