Nicky Curtis (not his real name) wrote "Faith and Duty" and published it in 1998, with André Deutsch, to critical acclaim. This is thought to be one of the best "soldier's eye view" books about Northern Ireland and contains a lot about the late Robert Nairac GC. Brooke and Nairac had worked closely together under-cover.

Definition. The duty of good faith stands for the principle that directors and officers of a corporation in making all decisions in their capacities as corporate fiduciaries, must act with a conscious regard for their responsibilities as fiduciaries. A violation of the duty of good faith may include an intentional derelict in the usual duties of a director or officer, intentionally acting for a purpose other than the benefit of the corporation, or intentionally violating the law.
