How To Read A Man

A more subtle clue to look for if you're trying to read a man's body language is to take note of how he sits when he's next to you — particularly how he crosses his legs. "If a man crosses his legs in a way that turns his torso and upper body away from you, this could be a sign that he isn't interested," said Bennett.

How to read male body language - TheList.com

The narration is read from the top right corner, moving down the left. When properly read, it would say "Humanity had been emigrating excess populations to space for over half a century. Hundreds of enormous space colonies floated in orbit around the Earth."
