If It Hurts, It Isn't Love. April 7, 2018. By Vladimire Calixte, MA, CRC, LMHC. Many times, the feelings of love and pain are so frequently associated that they become one and the same. But love isn't painful. Some of us have been taught by someone in our lives (either consciously or unconsciously) that love means pain, and that love always hurts. But it doesn't have to!

If It Hurts, It Isn't Love | Therapy for Black Men

God uses our pain (the afflictions) to teach us and build our character. Even when we hurt, He still loves and cares for us. 2. Pain is Purposeful "We know that all things work together for the good of those who love God, who are called according to his purpose" (Romans 8:28). Pain isn't only profitable; it has a purpose.
