Mastering Documentation by Springhouse Publishing ...

Genealogical documentation gives your work credibility. Without adequate documentation, a well-researched family history or tree looks like fiction. Mastering Genealogical Documentation teaches genealogists how to cite all kinds of sources clearly, completely, and accurately—including sources for which no model citation exists.

Mastering Genealogical Documentation [Paperback] Thomas W ...

Mastering Genealogical Documentation teaches genealogists how to describe and cite their sources—including sources for which no model citation exists—with artistry, clarity, conciseness, completeness, and competence so that their work will meet the genealogy field's published standards. In this step-by-step guidebook, The author provides a foundation in the principles, logic, and decisions that underpin genealogical documentation.

Mastering Genealogical Documentation - nsggenealogy.org

This book is about mastering genealogical SOURCE documentation. This has been the most difficult aspect of genealogy for me to understand. This book and evidence explained give lots of thorough examples that can help to begin to understand how to document the vast categories of sources you can encounter in doing genealogy.
