Ltd., directly or through its authorised Distributors / dealers or any third party.

### USER S MANUAL

Only Microtek has the proprietary knowledge of its scanners needed to write a driver. That knowledge is also Microtek's intellectual property that one else has the right to use. With nothing to lose, if the 4800 has a more recent successor with a driver for Windows 10 or even Win8 or Win7, you could give it a shot.
