The Elements are the four most basic aspects of the natural world: Earth, Water, Air, and Fire . When manipulated by a sorcerer, the elements can be used to perform powerful magic. Generally, magic performed through the manipulation of individual elements can be counteracted with magic invoking opposing elements.

The Sorcerer, while within viewing range (no longer than a street) of their Mage-Master, is able to turn their body into that of an Elemental, based on the element of their Mage-Master. For example, if their Mage-Master's thematic element is fire, they will appear to be engulfed in fire, and if the Mage-Master's theme is lightning, they will appear like a
