In the adventure players will find that all over Equestria ponies have started to turn into figurine versions of themselves. No pony knows why, no pony knows when and to make it all worse, no pony knows where the Mane Six have gone!

My Little Pony: Tails of Equestria - The Curse of the ...

Tails of Equestria was written with two assumptions of the reader: they have at least a passing knowledge of My Little Pony and they have never played an RPG before. Sure, other main core books for RPGs might assume you've never played before, but most still use a bit of jargon that this book spells out clearly and concisely for you.
