Ragtime composer Scott Joplin (ca. 1868-1917) became famous through the publication of the "Maple Leaf Rag" (1899) and a string of ragtime hits such as "The Entertainer" (1902), although he was later forgotten by all but a small, dedicated community of ragtime aficionados until the major ragtime revival in the early 1970s.

Ragtime - Wikipedia

At its prime from 1899-1915, ragtime is best known as totally written out piano music, though it was also performed by orchestras. Its syncopations and structure (blending together aspects of classical music and marches) hinted strongly at jazz, and many of its melodies (most notably "Maple Leaf Rag") would be played in later years by jazz musicians in a Dixieland context. The Sound of Ragtime on Spotify

Traditionally, ragtime music is played by a single piano. Although many ragtime players do use other instruments, most notably the banjo or the guitar, the music is generally thought of as being played by the piano. Jazz, on the other hand, is almost always played by a group of musicians on instruments like the piano, trumpet and trombone.

Differences Between Ragtime Music & Jazz Music | Our Pastimes

Though known first as a piano genre, the earliest recordings of ragtime feature five-string banjo and military concert bands. This collection provides a sampling of ragtime banjo performances, including work by five-string virtuosos Fred Van Eps and Vess L. Ossman and by innovators on the four-...
